

**POSITION: Senior Expert on Ensuring Efficient Operation of Energy Markets
(Category 2)**

1. Objective(s) and Linkages to Reforms

The Senior Expert will be a full-time consultant in the Reform Support Team (RST) at the Ministry of Energy of Ukraine (Minenergy).

The RST is a group of Ukrainian professionals (non-civil servants) funded on a temporary basis by donors that provides targeted technical support and assists the ministry in the design and implementation of priority reforms. The RSTs in various Ukrainian ministries and governmental agencies have been operational since 2016. The RST at Minenergy has been launched in 2021 to assist the ministry with the implementation of priority reforms in the following areas:

- Public Administration Reform (PAR) and Capacity Building
- Integrated Approach for the Energy Policy Formation
- Ensuring Efficient Operation of Energy Markets
- Decarbonization and Coal Industry Reform
- Improving Energy Efficiency
- Improving Corporate Governance in State-Owned Enterprises
- Implementation of the National Plan of Reducing Emissions from Large Combustion Plants (National Emission Reduction Plan).

The RST will assist with filling the capacity gaps in the design and implementation of the above priority reforms, strategies, programs and strengthening the partnerships between the priorities of the Minenergy and relevant donors' support.

2. Position and Reporting Lines

The Senior Expert on Ensuring Efficient Operation of Energy Markets will be responsible for the following:

- support in consulting services and preparation of drafts of policy papers, legal drafts, analytical materials, roadmaps;
- cooperation with relevant departments of Minenergy and other stakeholders;
- providing support to capacity building in the ministry.

The Senior Expert will be subordinated to and coordinated by the Senior Project Manager on Ensuring Efficient Operation of Energy Markets or the RST Director.

The Senior Expert will work in close cooperation with the Senior Lawyer on Ensuring Efficient Operation of Energy Markets and the Deputy Minister in the relevant areas.

3. Duration and Proposed Timeframe

This consultancy assignment is expected to start on February 14, 2022 and has an estimated duration up to 6,5 months. This assignment has an opportunity for extension for another 12 months, subject to the donors funding availability and the consultant's performance.

4. Main Duties, Responsibilities and Deliverables

4.1. Main Duties and Responsibilities

- Contribution to the development of the sector's reform agenda and action plans;
- Participation in the audit of Ukraine's existing commitments on energy and climate (as relevant to the energy industry);
- Analysis of existing analytics in areas to be reformed;
- Project management support (development of project/reform implementation plan, risk management, change management, etc.);
- Monitoring and evaluating proposed changes to laws and secondary legislation;
- Preparation of timely and quality reports and status updates on reform implementation progress;
- Preparation of analytical papers, reports, presentations and other materials;
- Other responsibilities as assigned by the Senior Project Manager on Ensuring Efficient Operation of Energy Markets.

4.2. Main Anticipated Deliverables

- Participation in drafting of Action Plans developed by the RST to provide inputs on necessary regulatory actions;
- Participation in preparation of proposals for amendment of primary and secondary legislation to implement reform agenda supported by the RST;
- Analysis, monitoring and research on the achievement of indicators and goals set by key strategic documents of Ukraine;
- Participation in preparation of the new Paris Aligned Energy Strategy until 2050, including the development of sectoral documents on the development of the electricity sector, nuclear generation, renewables, oil and gas industry and the phasing-out of the coal-powered generation;
- Participation in the preparation in the review and upgrading of the security of supply regulatory framework;
- Preparation of recommendations for the implementation of European network codes and market rules, European antitrust law;
- Regular progress reports on reform development and implementation.

5. Qualifications, Skills and Experience

5.1 Qualifications and Skills

- A Master's degree in Law, Management, Economics, Energy, Engineering, Finance, or Ecology;
- Minimum 3 years of experience in drafting legislation and regulatory documents related to Ukraine's energy market liberalisation and reform;
- Strong teamwork and communication skills;
- Impeccable ethical standards;
- Strong analytical skills with the ability to interpret complex legal, commercial and financial information;
- International professional experience is an asset;
- Fluency in Ukrainian and English.

5.2 General Professional Experience

- More than 7 years of general professional experience;

- Minimum 3 years of experience in energy sector or public administration, consulting;

5.3 Specific Professional Experience

- Proven knowledge and professional experience in energy sector, climate and public policy, supporting reforms aimed at European integration of Ukraine;
- Familiarity with the reform agenda in Ukraine, understanding of policy formulation process;
- Understanding of the main rules of the Energy Efficiency Directive and the Third Energy Package + Clean Energy Package;
- Understanding of the Decarbonisation of Heating & CHP agenda;
- Experience in cooperation with the government is an asset;
- Experience in international companies/corporations with strong organizational culture is an asset.

6. Indicative Performance Criteria: (Key Performance Indicators - KPI)

- % of tasks delivered within deadlines;
- Timely submission of monthly performance reports.

7. Funding Source

The funding source of this assignment is the EBRD Ukraine Stabilisation and Sustainable Growth Multi-Donor Account (MDA). Contributors to the MDA are Denmark, Finland, France, Germany, Italy, Japan, the Netherlands, Norway, Poland, Sweden, Switzerland, the United Kingdom, the United States and the European Union, the largest donor.
